TO WHOM IT MAY CONCERN

This letter is addressed to clarify you some aspects about the following product:

LEVENOL F-200

We hereby certify that the aforementioned product is not derived from animals, and its manufacture and development does not involve the use of any animal products or derivatives at any stage of its production or processing.

The word 'animal' to refer to the entire animal kingdom, that is all vertebrates and all multi-cellular invertebrates.

Hoping that this information could be useful for your business.

This is an electronic document and is valid without signature.

Please note that Kao does not assume any liability additional to the liabilities stipulated in the sales contract or our general business conditions. Kao expressly disclaims any responsibility for the suitability of the products for any specific or particular uses/purposes intended by the user. Kao does not assume any liability or risk involved in the import, export, transport, storage or use of its products as the conditions of import, export, transport, storage or use are beyond its control. The importer, exporter or user is solely responsible for compliance with all laws and regulations applying to the import, export, transport, storage or use of the products including intellectual property rights of third parties.
